

## Passo 6: Personalizar layouts para assistir aos vídeos

Scribe<sup>®</sup>

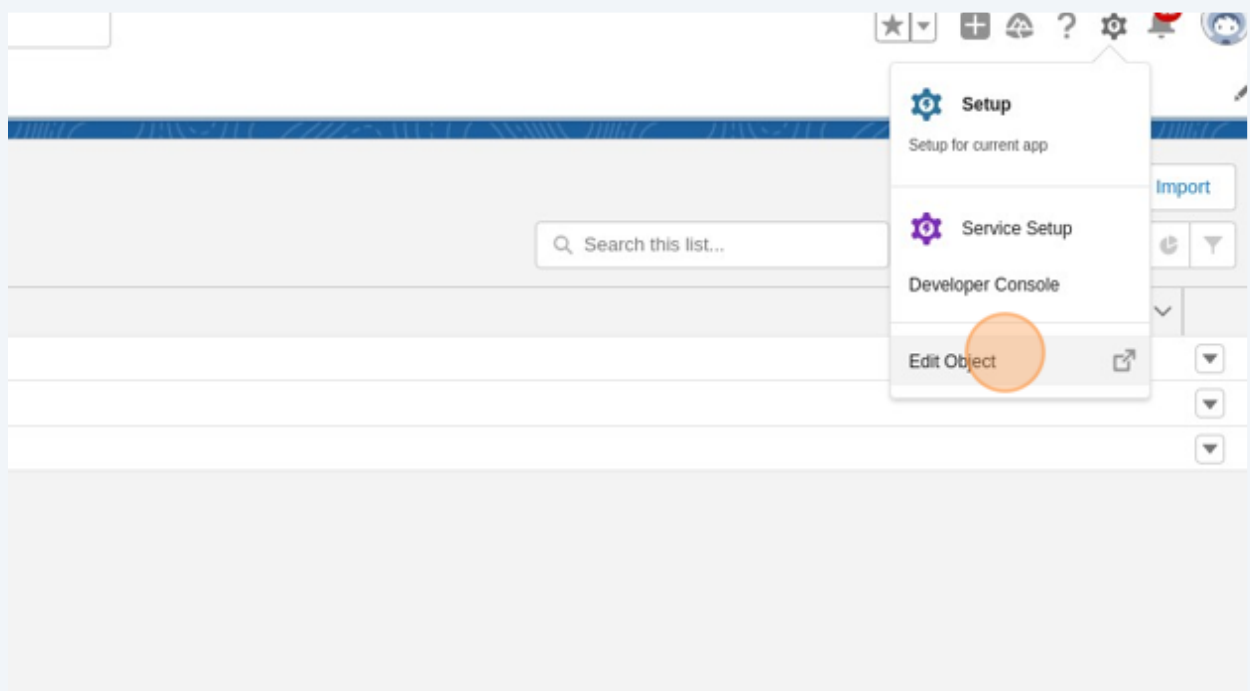

- 1 A partir do aplicativo "Youtube Collection", clique na guia Vídeos

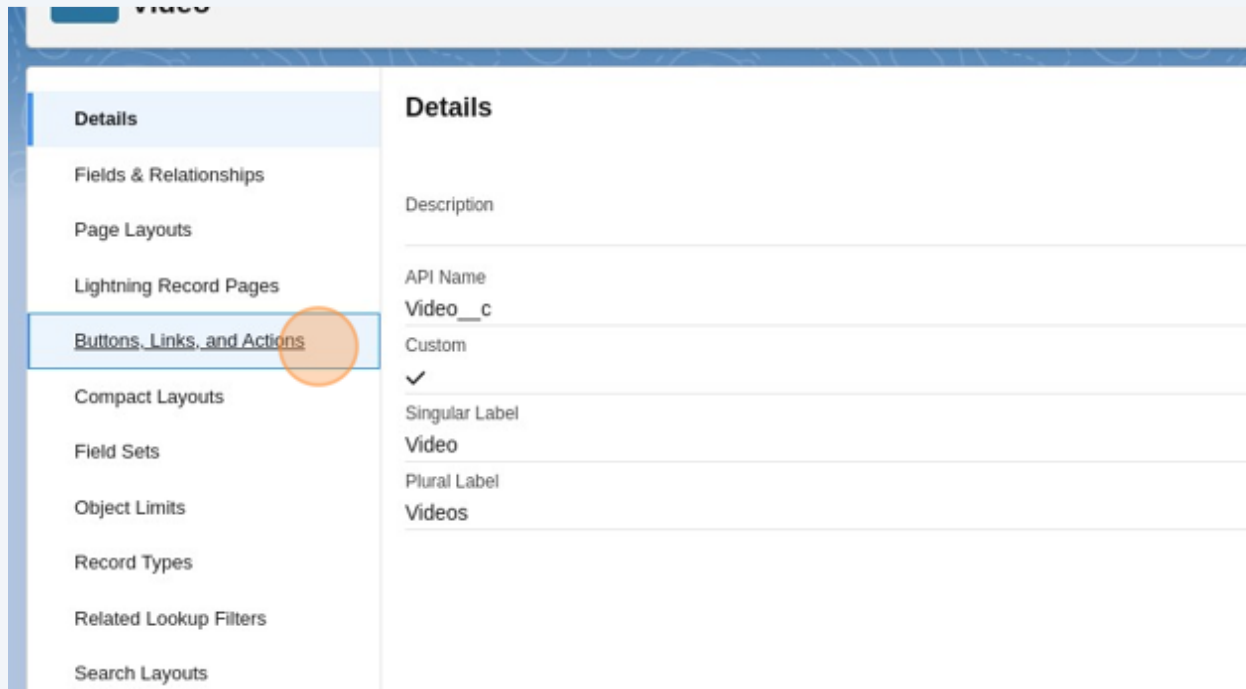

2 Clique no ícone de Engrenagem no topo da página

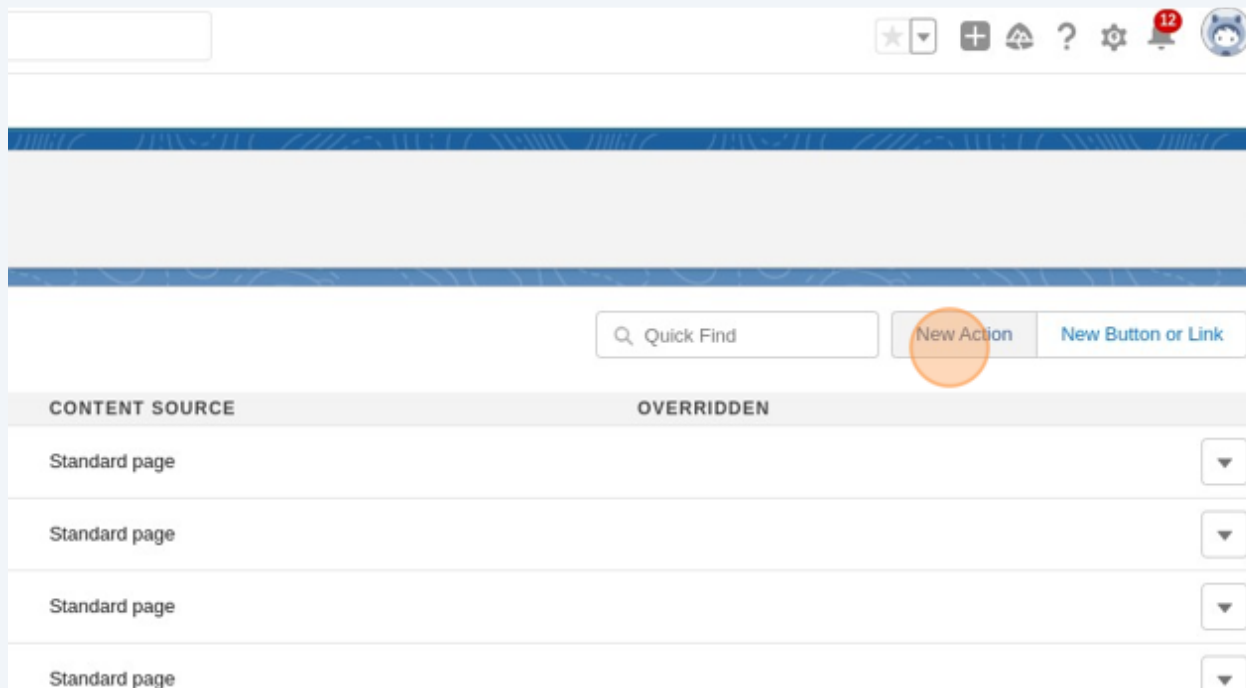

3 Selecione "Edit Object" ou "Editar Objeto"

#### 4 Click "Buttons, Links, and Actions"

#### 5 Click "New Action"

6 Ao criar uma nova ação, vamos selecionar "Lightning Web Component"

Video Actions  
w Action

Enter Action Information Save Cancel

Object Name Video i

Action Type **Create a Record** v

Target Object --None-- i

Standard Label Type --None-- i

Label

Name  i

## 8 Coloque os nomes de sua preferência

The screenshot shows the configuration form for a Lightning Web Component. The fields are as follows:

- Object Name: Video
- Action Type: Lightning Web Component
- Lightning Web Component: c.videoPlayerTab
- Subtype: Screen Action
- Standard Label Type: --None--
- Label: Assistir Video
- Name: Assistir\_Video
- Description: (empty)
- Icon: Change Icon

At the bottom right, there are 'Save' and 'Cancel' buttons. An orange circle highlights the 'Change Icon' link.

## 9 Save

This screenshot is identical to the previous one, showing the configuration form for the video player. The fields are the same. In this step, an orange circle highlights the 'Save' button at the bottom right of the form.

## 10 Click "Video"

Object Name	Video
Action Type	Lightning Web Component
