

Passo 4: Criar um novo canal a partir do Channel Assistant

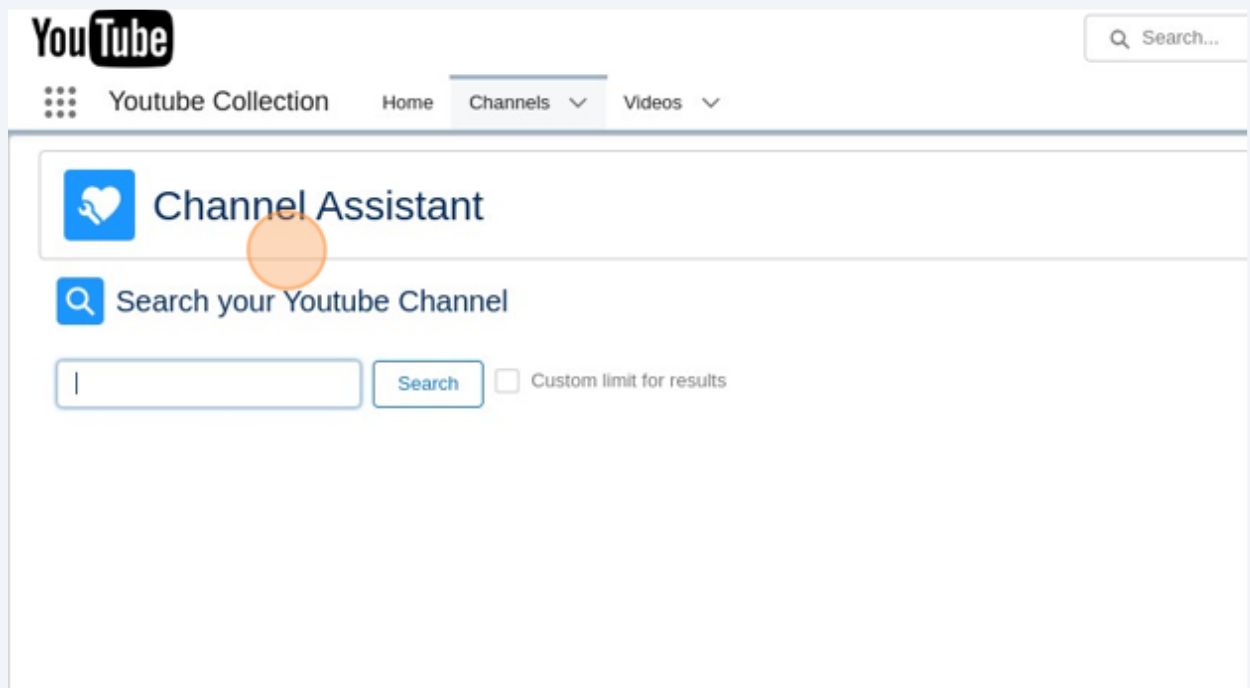

- 1 Ao entrar no aplicativo, vá na guia de canais

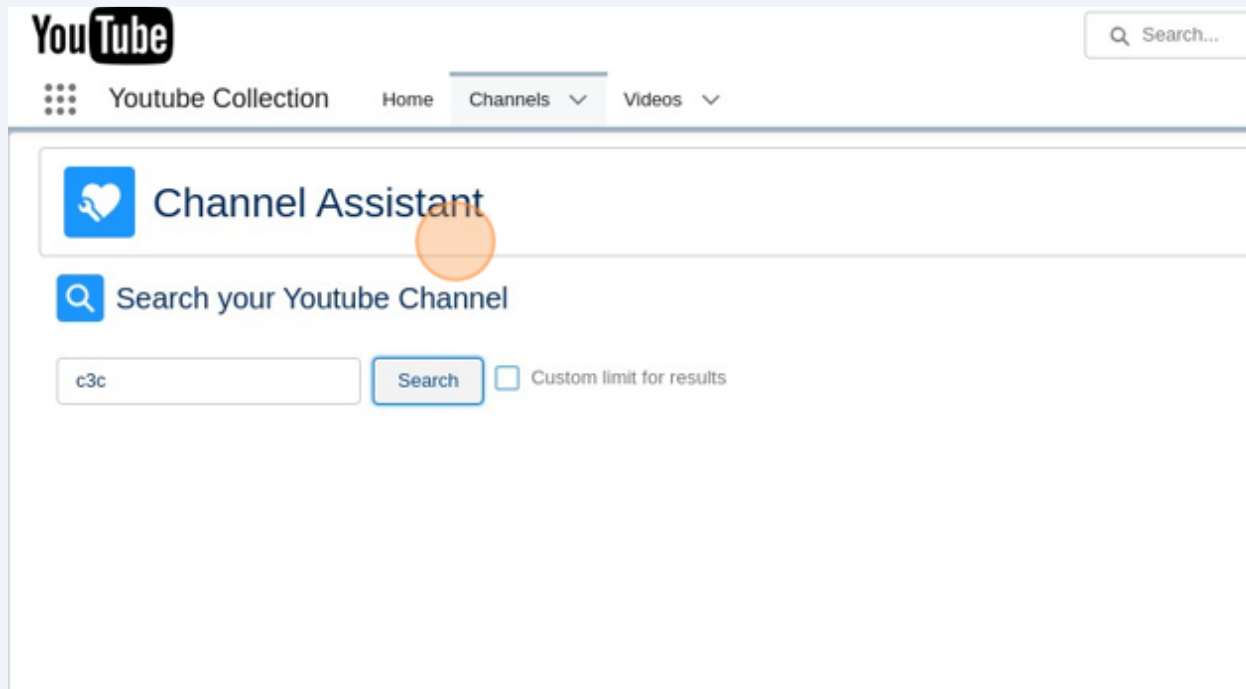

2 Click "New"

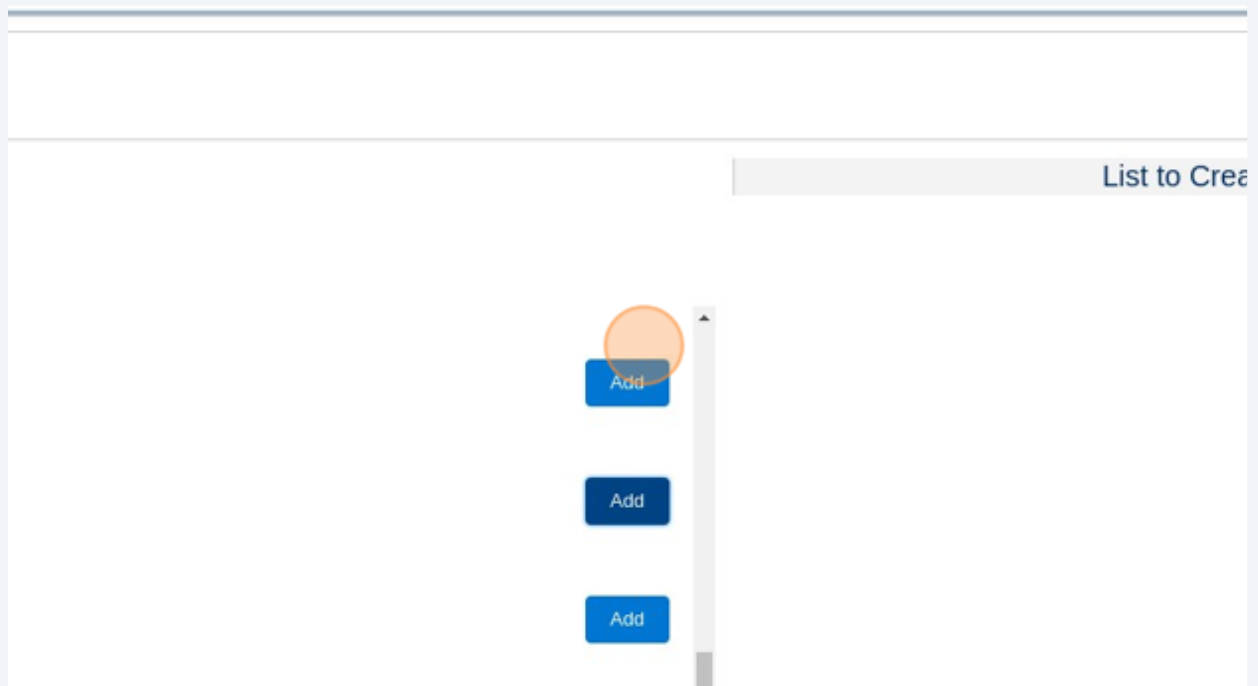

3 Digite o nome do canal que deseja adicionar

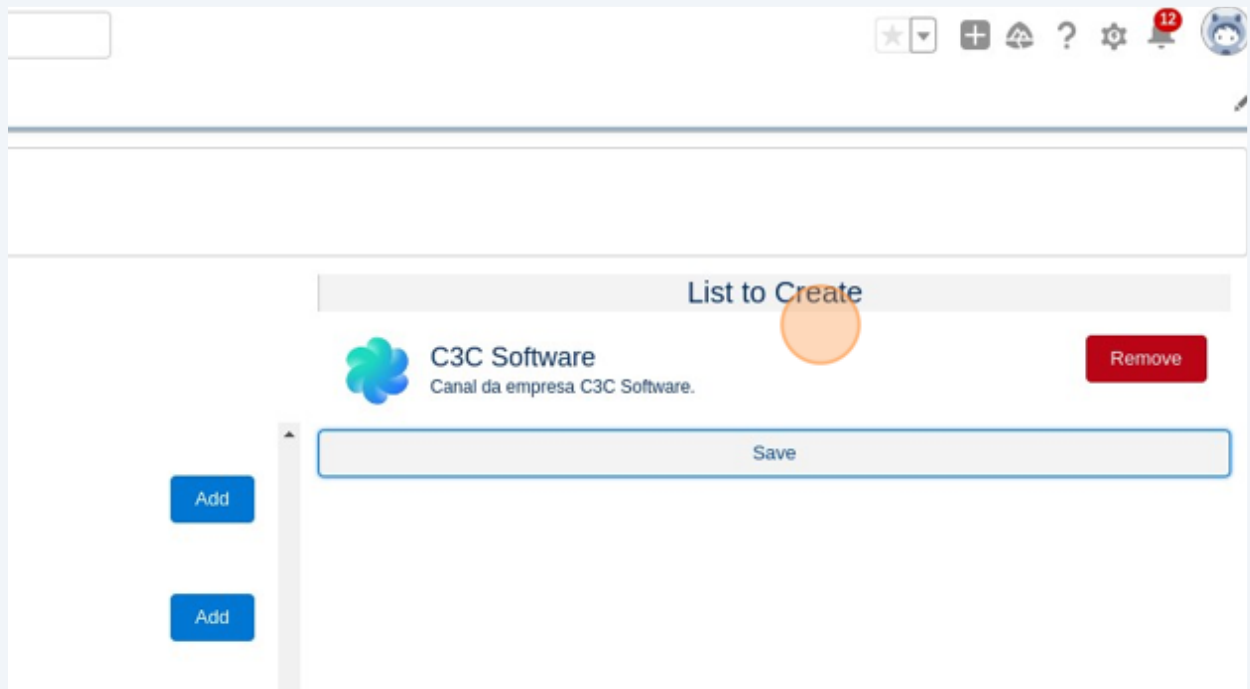

4 Click "Search"

5 Ao lado dos canais encontrados, basta clicar em "Add" para ele entrar na lista dos que serão adicionados

6 Click "Save"

7 Ao terminar, basta clicar em "Channel Assistant" para visualizar a list view dos canais
